Make it possible

# Cordless Applicators

## Don't just make it possible, make it easy!

PC Cox's new cordless sealant applicator is designed and built to provide fast, efficient and easy application of even the most viscous of adhesives and sealants.

Available in 5 models for use with sachets (400ml and 600ml) or cartridges (310ml, 400ml and US Quart), the cordless gun is capable of dispensing more than 30 310ml cartridges on one charge of the 4.8V NiCad rechargeable battery.

## Technical Specifications
